THIS IS UNEVALUATED INFORMATION

1. In early May the Liaoyang (123-12, 41-16) City Prison was converted into a concentration camp for United Nations POW's who were being moved there from North Korea. 25X1
2. In early April six Soviet chemists arrived at the former Japanese chemical industries plant along the coast near Dairen. This factory was engaged in the production of chemicals and shell casings, but with the arrival of the Soviet chemists, the plant was converted to the production of small bombs for fighter planes. The manufacture of these small bombs began at the end of May and all other production, such as ammunition and chemicals, was suspended.
